Benson, Clara Cynthia (Household Science Dept.) Feb. 1917

(22)

February 8th, 1917

Miss C. C. Penson,

Household Science Department.

Dear Miss Penson:

I am glad to know that you have been able to make arrangements for extra instruction in Chemistry for those who are ready to offer themselves for munition work. We should know before very long what demand there would be.

With kind regards, I am,

Yours sincerely,

President.
